Quality Policy

HC Innovations Ltd, based in Perth, provides our clients with a 'total solution' for their cleaning supplies requirements. We specialise in the manufacturing of wet wipes and procurement and supply of cleaning equipment and operate a dedicated delivery network of vehicles operating nationwide. HC Innovations has a highly skilled and experienced team with excellent knowledge which ensures customer satisfaction is foremost.

We are committed to:

- safeguarding the quality of our products and services
- meeting and exceeding the requirements and expectations of our customers
- meeting and exceeding all relevant legislative requirements and other requirements to which we subscribe
- ensuring continual improvement in all that we do

In order to achieve these commitments, HC Innovations has developed a management system to meet the requirements of ISO 9001 and has developed a framework for setting and reviewing quality objectives. We are committed to continual improvement of the effectiveness of the management system.

This policy is communicated to all employees and personnel working on behalf of the company and is available for review by any interested party through request.
