Vinco®-SanWipe

All purpose Cleaning and Sanitising Wet Wipes

Vinco®-SanWipe Cleaning and Sanitising Wet Wipes for Workplace Environments

Keeping bacteria and viruses at bay has never been more of a challenging task than it is today. Lets face it you want to kill bacteria and viruses fast and in the easiest and most efficient way. To help you do this, this Vinco®-SanWipe range is ideally suited for use across the facilities sector to clean and sanitise hand and surfaces efficiently. With 4 tub sizes to choose from these can be used across sectors such as gyms, airports, facilities management, car showrooms, offices and education. This wipe is formulated using a thick PP material which is coupled with a QUAT based Anti-Bac and Anti-Viral solution that kills bacteria and viruses fast.
